Overview

If you're after more power and performance without hurting the hip pocket, you can't go past the stylish, value-packed L50-B. It has everything you need to stay in touch, productive and entertained as you move between home, school and work.

Only slightly thicker than an Ultrabook™, the L50-B's stylish 23.5mm profile is ergonomically formed to fit your hand, making it comfy and easy to carry.

Your digital kingdom will come to life in vivid true colours on the wideview 15.6" High Definition display, giving you an awesome Windows® 8.1 experience. And with the new-style keyboard, you'll be able to type in maximum comfort with accuracy thanks to 0.2mm curved keycaps designed to fit the contours of your fingers.

Toshiba recommends Windows 8.
